1756 cont.	<ul style="list-style-type: none"> • Staffing for September – the rationale for teacher / class allocations was explained. <p>Additionally, it was reported that the School has been particularly successful in the Art Award; the Headteacher read a very positive letter that indicated 'exemplary' performance in the Explore Award. Governors congratulated all those involved.</p>	
1757	<p>Pupil Progress Data, including KS2 SATs results</p> <p>With reference to discussions at the May Governing Board meeting (particularly about Year 3 and Maths) and data reports subsequently circulated to Members of the Standards Committee, the Chair of the Committee and Headteacher provided a verbal summary of the outcomes for 2016/17, including the KS2 SAT's results, as set out below:</p> <ul style="list-style-type: none"> • Reading: 72% (71% national) and 19% at greater depth; • Writing: 75% (76% national) and 16% at greater depth; • Grammar, Punctuation, and Spelling: 63% (77% national) and 28% at greater depth; • Maths: 84% (75% national) and 13% at greater depth; • Combined (Reading, Writing, and Maths): 63% (61% national) and 6% at greater depth. <p>Overall, Governors commented positively on the KS2 SATs results, which are better than expected; the Maths and Combined results are particularly pleasing (above the national average). It was noted that the disappointing results for Grammar, Punctuation, and Spelling is largely as a consequence of performance in Spelling, which will be a strong focus for the School in 2017/18.</p> <p>The arrangements for Year 4 pupils in 2017/18 (split over two classes) were summarised; the provision of appropriate additional support for targeted pupils is a priority.</p> <p>It was noted that there will be a new improved format of data reports from September 2017.</p>	
1758	<p>Committee Reports</p> <p>a) Finance and Staffing – 22 June 2017</p> <p>The key points discussed at the meeting were summarised.</p> <p>It was reported that the updated Start Budget 2017/18 indicates an increased in-year deficit of £40.9k, with the two subsequent years showing in-year surpluses. It was noted that there has been no feedback from NYCC representatives about the deficit budget and an application for financial support. The deficit is directly linked to the continuing increase in pupil numbers and the implications of the funding formula / timescales.</p> <p>It was noted that as far as budget morning is concerned, it is too early to draw any meaningful conclusions.</p>

1759	<p>Governance Matters</p> <p>Governors received a verbal update on several key developments:</p> <ul style="list-style-type: none"> • Governing Board Self-assessment: <ul style="list-style-type: none"> ○ Staff perceptions questionnaire – some completed forms have been received; AP is to collate / summarise the responses; ○ Chair's 360 degree appraisal – to take place as the final item of this meeting; ○ 1 to 1's – deferred; ○ 20 Questions – please complete the form and send to SD / Clerk; ○ Skills Audit – please complete and forward to SD / Clerk; • Governors' links with Subject Co-ordinators – Members reflected on the many positives arising from the first year of the initiative; the Clerk summarised practice at another school, where there had been difficulties in ensuring that all the separate link meetings took place and were effective, the school leadership and governors determined that Link meetings take place at the same time (4.00-5.00pm), twice per year (October and June), with all the appropriate staff and Governors present initially and then split into separate subject meetings; after some discussion, it was agreed to adopt to a similar arrangement for 2017/18, with the first session taking place directly prior to the Standards Committee meeting on 23 November 2017; • Governors Newsletter – the final edition for 2016/17 was published at the end of May 2017; the next edition is scheduled for October 2017; • Governor impact – specific reference was made to the Chair's and Vice Chair's roles in the interviewing process for the two new Milestone Leader posts (KS1 and KS2) earlier today; a total of six applicant were interviewed – all were very professional and gave high quality presentations.
