### Core Values

We believe that our work is to build effective **Partnerships**, secure **entitlement** and demonstrate considerable **impact**. By doing this we will ensure the best possible education and outcomes for all children aged 0-19 across our area.

**Partnerships** – working together, **Entitlement** – Opening Doors, **Impact** – Building Capacity

### Aims

Collaborative planning for school improvement, including school to school support

Professional development of **all** staff and governors

Sharing, analysing and responding to data and issues raised

Commissioning services and securing best value for money

Frameworks to ensure quality, shared values and accountability
