Our Sports Crew are going to be responsible for blogging, promoting and reporting and running sporting activities within school. They will also be working closely with Mrs Sampson and Miss Wright to increase how active the children in our school are within curriculum time.

We have already had a great start to our cluster competitions. We have moved back into the Sherburn Cluster for our sporting events which we feel is a real positive for the children in our school. It means that we are competing against schools close by with a lot of the competitions taking place at Sherburn High School which is walking distance for us. The children will more than likely be familiar with children at these schools and our transport costs will hopefully reduce meaning the Sport Premium money can be better spent elsewhere.

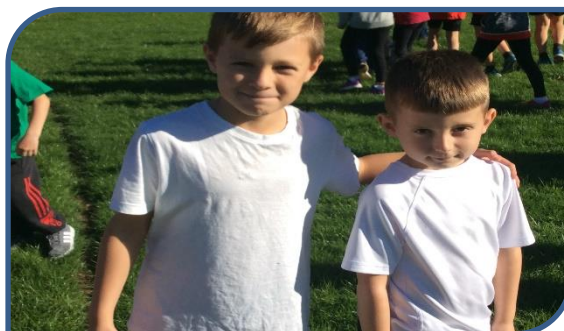

On Thursday 27th September we attended the Year 5/6 Boys Football Tournament at Sherburn High School. The team played well and we managed to secure 4th Place out of the six schools that played.

On Thursday 11th October a team of our KS1 children attended the Beanbag Rounders festival at Kirk Fenton Primary School. The children had a great time learning a new sport and managed to come 2nd place overall. Well done!

On Thursday 18th October a team of Year 3 and 4 children attended the Cross Country Event at Sherburn High School. The children did very well, all trying hard to run the distance in the fastest time possible. We are pleased to announce that we have several children who have made it through to the next round of the competition. Harvey Targett came 2nd in the Year 3 Boys race, Aaron Hudson came 3rd in the Year 4 Boys race, Finlay Cronshaw came 6th and Sebastian Wraith-Lobley came 7th. The top 8 runners from each race qualified.

We would love to hear about any sporting achievements that your child has demonstrated outside of school. We like to recognise these in school. Please make sure your child brings along any certificates, medals, trophies etc to our Friday celebration assemblies with a short description of how they have earned their award. Our Sports Crew will report on these achievements on our Sports section of the school website.
