Cycle Activities

This week we have been very fortunate to have some great Sport experiences happening at school. On Wednesday we had the Yorkshire schools baton race exchange the baton at our school before the team of cyclists completed the final leg of the North Yorkshire tour which finished at Lotherton Hall. The children had the opportunity to speak to the cyclists and also get a chance to touch the baton.

On Thursday and Friday we have had Phil Bateman, a pro ride cyclist come and deliver workshops to the children in Ms Burroughs, Miss Middlebrook/Mrs Barton, Miss Pugh and Mrs Hayton's class. The children learnt how to safety check their bikes, enter a race track safely and ways to manoeuvre safely around a track. The children participated in races, cycled over obstacles and had to limbo cycle under a frame which lowered each time the children managed to clear the height. The children had a great time and have learnt lots from the session. Thank you for all the contributions to this workshop. If you haven't yet managed to pay please visit Parent Pay.
