Dear Parents and Carers

School meals

It was always planned that the school kitchen was to be extended and remodelled over the summer holidays, ready for the school's overall expansion. The programme of work now planned is more extensive than was first anticipated. Which means the work cannot be wholly fitted into the summer holiday work schedule.

In order to accommodate this, the school's kitchen will have to close as of the 30th June. With meals being cooked off site and shipped in for the last two and a half weeks. This will naturally mean a change to our normal menu to accommodate this. Below is the menu for the rest of this term. **There will be no choice of menu**. On the days it is sandwiches we need parents to indicate in advance (by 28th June) what option they will require. Please complete and return the attached options form.
