Welcome to our new staff

Mrs Turner has now joined us taking over the class that was Miss McCrea's. Mrs Turner is a very experienced teacher, who is looking forward to developing our Y1 outdoor area.

Miss Durkin, has joined us as a General Teaching Assistant in Y1 working with Mrs Long/Miss Newsome on a morning and across Y1 in the afternoons.

Mrs Long is now teaching one of our Y1 classes on a Thursday and a Friday, taking over from Mrs Thompson. Mrs Long will be with us until the end of the summer term.

Mrs Davis is now working in Mrs Whelerton's Y3 class as a General Teaching Assistant, helping in class in the mornings and interventions in the afternoon.

Not a new member of staff but a new role. Mrs Whiteley has now taken on board the role of Pastoral Support, and is busy developing her role in and around school.

Miss Hallewell will be joining us from early March, she will be working in the EYFS as a General Teaching Assistant and taking on the role of Play Leader in our Early Years wrap around care.
