

## Summer Term Sport Update

The children in Year 4/5 who attended the Quicksticks Hockey Tournament at Tadcaster Grammar School on Thursday 27<sup>th</sup> April had a great time representing our school in the competition. We competed against 4 schools from the Tadcaster cluster and we played fantastically well. We came 2<sup>nd</sup> in the competition overall just missing out on representing our cluster in the Level 2 final. The children worked well in their team, supporting and coaching each other as the games were played.

We would just like to say a huge well done the girls football team who represented our school at Selby College on Wednesday 17<sup>th</sup> May. The girls played remarkably well and managed to reach 3<sup>rd</sup> Place overall. The girls played well as a team and demonstrated lots of determination despite the miserable weather.
