

Spring Term Sport Update

On Monday 16th January Miss McCrea took a selection of KS1 and KS2 children to a dance festival at Tadcaster Grammar School. The children took a routine that they had rehearsed to perform for the rest of the cluster of schools in the Tadcaster area. Once all the schools had performed their dances the young leaders from Tadcaster Grammar taught the children a new dance routine which they performed as a flash mob. The children had a great time.

Adam Palmer led an interhouse competition for the children in Mr Walton and Ms Burrough's class. He ran an end zone game which allowed the children to put the invasion skills they had learnt into practise. The overall winning house was the Blue Team. Well done to all of the children who participated.

On Monday 30th January Adam Palmer took a group of children from Year 5 to a Tag Rugby festival at Tadcaster Grammar School. The children performed against other schools in our cluster. The children had the chance to display and practise the skills they had learnt in their Tag Rugby sessions in class and through the after school club.

On Thursday 9th February Stacey Howard came to work with our Sports Crew. She worked with the children to help them to see how their role can be developed in school and way that they can promote 'being active' in our school. The sports crew are now working with Mrs Sampson on developing challenges at play time. We have our first challenge on the last week of term.

On Monday 20th March Mrs Whitehead took 30 Year 1 and 2 children to the Athletics Multi Skills competition at Tadcaster Grammar School. The children had a great time. As always it is such a fantastic opportunity for our KS1 children to experience competition in a fun environment.

On Thursday 23rd March KS1 and Sunshines had a skateboarding workshop led by Team Rubicon. The feedback from staff and children was great. The children had the opportunity to learn new skills and experience a new sport in our school whilst having lots of fun. The workshops were pitched perfectly for all children involved.

Tom Westerman from Premier Sport has been delivering Gym classes to the Year 2 children this half term. They have worked alongside Miss Pugh and Mrs Hayton to provide extra training and development for staff as well as helping to ensure high quality PE continues to be delivered for the children in our School.

On Wednesday 5th April 2017 Mrs Sampson, Miss Ellis and Mrs Smith took 2 children to the Sports Special Swimming Panathlon at Queen Margaret's School at Escrick. The children competed in a team against other schools in the North Yorkshire area. We had a great day and met a Paralympian Liz Johnson. We got to see her medals from Rio, London and Athens! We came 2nd overall. A big well done to the children that attended the competition. They were a credit to our school.
