

Sport Premium Funding September 2015 to August 2016

The Sport Premium grant to support the delivery of PE and sport in primary schools has enabled Athelstan School to continue with its commitment to high quality PE provision. This funding has been extended until 2020 which will allow continued and sustained improvement.

Athelstan School received £8,900 of Sport premium grant funding from September 2015 until July 2016. We aim to ensure that all our pupils continue to have access to high quality PE.

We continue to make full use of this fantastic funding opportunity and are able to maximise the potential of the funding by ensuring sustainability of the high quality delivery of PE in and out of school. We allocated further funding to provide support and training for teaching staff, to obtain a nationally recognised coaching qualification, across a variety of sports.

We have had professionally qualified coaches deliver workshops and CPD in school.

This year we achieved the **Sainsbury's School Games Silver award** as recognition of our commitment, engagement and delivery of competitive sport. Well done everyone, a fantastic effort very justly rewarded.

We have participated in many competitions with other schools and will aim to use some of the money to support these events. In addition we have also provided funding for additional swimming lessons to embed the skills already achieved by our children. This will ensure that our children are able to continue to gain confidence and strengthen their skills. We believe this is a very important life skill as well as a good form of exercise.

The following is a breakdown of the actual expenditure from September 2015 to July 2016

Amount received £8,900

| Activity/Event | Expenditure | Balance remaining |
|--|----------------------|--------------------------|
| Brought forward 14/15 | | -£3,167 |
| | Actual amount | £5,733 |
| Swimming | £1,128 | £4,605 |
| Extended Curriculum Support | £686 | £3,919 |
| Workshops and Coaches | £3000.00 | £919 |
| Staff CPD and attendance at competitions | £1083 | £-164 |
| Competition management | £220.00 | £-384 |
| Transport | £1,395.00 | £-1779 |
| Resources | £293.00 | £-2,072 |
| Brought forward to 16/17 | | -£2,072 |

Staff training to deliver high quality PE.

We have continued to provide training to enhance and improve teaching and learning as we strive towards achieving 'Outstanding'. Our attitude remains the same across all the subject areas. As part of the School Sport Premium we have taken the opportunity to ensure the money is well spent and is sustainable. We believe by training all staff to have a nationally recognised qualification in a sporting area of their choice, we are ensuring that we get the very best physical education for our children. This year staff have worked to support each other within their chosen speciality and have provided a wider range of sports to our pupils. Training this year has seen the following staff receive qualifications and personal development

| | |
|--------------|-----------------------------|
| Mr Tucker | Level 1 Basketball coach |
| Miss Hudson | Bupa Start to move |
| Ms Burroughs | Tag Rugby (Premier Sport) |
| Miss Heeley | Tag rugby (premier Sport) |

CPD and workshops provided across the year

Wednesday 16th September. Hoop Stars Wheelchair basketball came to school and the children in Ms Burroughs' and Mr Tucker's classes had a very entertaining session learning the skills needed to play this very demanding and extremely enjoyable sport. Great fun was had by all and it was an opportunity for Oscar and Thomas to show their capabilities. The fun did not stop at the end of the day as the staff went on to have a session after school which was hard work but also incredibly enlightening and enormous fun

Friday 27th November. Ms Burroughs' and Miss Heeley's classes were treated to an afternoon of basketball coaching by Leeds Force Basketball

Wednesday January 20th 2016

Mr Tucker's and Mrs Whelerton's classes enjoyed basketball coaching from Leeds Force basketball club. The children had a fantastic morning learning new skills and drills and we definitely have some future players in our midst.

22nd February 2017 -31st March 2016

The children in KS2 had the opportunity to experience wheelchair basketball. The costs were covered by a grant obtained from the Robert Hungate Foundation and the children thought it was great fun and a wonderful experience which they would all like to repeat again.

Friday 26th February – Friday 18th March

Rachel Hildreth from Yorkshire County Cricket returned to school to deliver cricket coaching. Under the Chance2Shine umbrella the children get the benefit of a Yorkshire County Cricket Community Coach and the school are entitled to 50 free tickets to watch cricket at Headingley Stadium – details to be issued in due course. The children showed great enthusiasm and we hope the experience will help them in upcoming cricket tournaments in the summer term.

York City Football in the Community

Mrs Whelerton and her class received 10 weeks of football coaching during the summer term. The children learnt a variety of football skills and ways to develop working as a team. There was a big emphasis on promoting females in football. The staff and pupils found this a fun and worthwhile 10 week programme.

Inter school competition

Children have been able to take part in a variety of inter school competitive events across the schools partnership. This has seen our children take part in a wide variety of events. Events have been organised through the Schools Sports Partnerships and involved a number of local schools.

The children took part in the following events from September 2015 – July 2016

| Event | Year Group | Number of children taking part |
|--------------------------------|-------------------|---------------------------------------|
| 20/10/16 Tag Rugby | Year 5/6 | 11 |
| 18/11/16 Basketball | Year 5/6 | 13 |
| 14/12/16 Sports hall athletics | Year 4/5 | 30 |
| 29/02/16 Netball | Year 5 | 8 |
| 04/03/16 Basketball | Year 4/5 | 12 |
| 14/03/16 Multi Skills | Year 1 / 2 | 30 |
| 23/03/16 KS1 Gym | Year 1 / 2 | 5 |
| 19/04/16 Sports Crew Training | Year 1 - 6 | 14 |
| 28/04/16 Swimming gala | Year 1 / 2 | 8 |
| 23/05/16 Hockey | Year 4/5 | 8 |
| 13/06/16 Multi Skills | Year 1 / 2 | 30 |
| 11/07/16 Ainsty sports | Year 3/4/5 | 16 |
| 14/07/16 Multi Skills | Year 1 1 / 2 | 30 |

Tuesday 20th October. – Ms Burroughs and Mrs Sheerins took a team to the tag rugby tournament at Selby RUFC. We were represented by Oliver Stephenson, Fraser Kirkman-Bielby, Izzy Mitton, Amelie Chambers, Lucy Dracup, Millie Toes, Tom Pavey, Lewis Selby, Alex Worlock and Megan Horn. It was a great afternoon of sport and the children played some fantastic rugby displaying the skills they have been learning in PE lessons.

Wednesday 18th November. Mrs Sheerins and Mr Tucker took 2 teams to York College to take part in a basketball tournament. This event was sub-divided into two tournaments, one for the girls and one for the boys. Representing the girls we had - Evie Johnson, Hannah Wales, Danielle Gill, Amelie Chambers, Phoebe Harmer, Imogen Harrison and Alex Keetley. Representing the boys we had – Kuba Slusarczyk, Findlay Brennan, Connor Chaston, Oliver Stephenson, Jacob Orr and Mylo Hill. Both teams played exceptionally well against some very experienced opposition. Everyone enjoyed the event and we were very proud of the children and the quality of their play and sportsmanship.

Monday 14th December. Mrs Sheerins, Miss Heeley and Mrs Metcalfe took 30 Year4, 5 and 6 children to Tadcaster Leisure Centre for a sports hall athletics event. The children took

part in a variety of disciplines involving elements of running, throwing and jumping. The children were tested on their skills at sprinting as well as long distance running, vertical, triple and long jump, chest push and javelin throwing, obstacle races and relays. It was a very well organised and enjoyable event and we are very grateful to Miss Young and Mr Harrison for coming along and assisting on the day.

Monday February 29th

8 Y5 children took part in a netball tournament at Tadcaster Grammar school. They had a great afternoon enjoying High5 netball and experiencing the competition against other schools

Friday 4th March

12 children from Y4 and 5 took place in a basketball tournament at Tadcaster Grammar School. The children learned skills and drills and then played in a mini tournament. 2 of our children were recognised for their abilities and won tickets to see a professional basketball game.

Wednesday March 23rd

5 children from KS1 took place in a Key Steps Gym competition at Carlton Holy Family High School. This is a relaxed but competitive competition to give our younger students their first taste of competing against children from other schools. They had a great experience.

Monday 14th March

Miss Hudson took 30 KS1 pupils to Tadcaster Grammar School for a Multi-Skills event. With the help of parent volunteers they all had a wonderful time competing in various sports.

19th April Sports Crew Training

The Sports Crew attended a tennis session at the John Charles Centre for Sport in Leeds. They had tennis lessons from some of the Great Britain Davis Cup Team and saw the Davis Cup – it is huge! A great day out as a thank you to the Sports Crew for all their efforts in promoting sport at our school.

28th April Swimming gala

8 children in Year 4, 5 and 6 took part in a swimming gala at Tadcaster Leisure Centre

23rd May Hockey

8 children took part in the Quicksticks Hockey competition at Tadcaster Grammar School. We came first, getting through to Barlby High School where we represented the Tadcaster Cluster in the Selby district final. We went on to win this game and had the opportunity to represent the Selby District in the North Yorkshire School Games at Queen Margaret's school. We did fantastically well and came 3rd overall.

13th June Multi Skills

Adam Palmer led a 10 week programme of Multi Skills coaching for KS1 teaching staff and provided professional coaching for all children in KS1. Our aim over the last few years has been to develop the fundamental movement skills of Agility, balance and co-ordination amongst children in KS1. These skills form a firm foundation to build upon as children progress through school. These sessions have been valuable to both staff and pupils.

Monday 11th July Ainsty sports

A sports day was organised at Tadcaster Grammar School. A variety of activities, running, jumping and throwing. 16 Year 3, 4 and 5 children took part and had an excellent afternoon

Thursday 14th July

Miss Pugh took 30 Year 1 and 2 children to the Athletics multi skills festival at Tadcaster Grammar School. The children had a great time exploring a range of athletic based activities.

Sports Crew

The sports crew have been meeting every half term to promote sport within the school. They helped to choose the after school clubs and were able to report back on the fun they had. The 12 members of the crew took part in a training day at the John Charles Centre on April 19th.

Interhouse Competitions

Mrs Sheerins led 3 Interhouse competitions across the year.

Dec 2015- The Year 5/6 children took part in a Tag Rugby Competition. The winning house was Vikings.

March 2016- The Y3-4 Interhouse tournament took place with children competing in a Boccia tournament. Boccia is a Paralympic sport which is very like indoor bowling. The competition was won by the Vikings.

June 2016- The Year 1/ 2 children took part in a multi skills tournament. The winning house was Saxons.

After School Clubs

Athelstan pupils have been able to access a wide range of after school sporting activities this year. In order for all children to access our after school sporting activities the school has provided subsidies to make them affordable to all. The subsidy offered for school clubs is shown each term. In addition those children in receipt of free school meals have been able to access them free of charge, ensuring that all children are provided with access to a wider range of sporting opportunities.

The following clubs have been provided. **Bold clubs are chargeable**

| Club | Attendance Autumn 15 | Attendance Spring 16 | Attendance Summer 16 |
|-------------------------|--|----------------------------------|---------------------------------|
| Little Kickers Football | | 20 | 15 |
| Muliti Skills | | | 19 |
| KS2 Football | <i>11</i> | | |
| Tag Rugby | 16 | 12 | |
| Dance | 14 | | 18 |
| Athletics | | | 13 |
| Fencing | 13 (free) | | |
| Archery | 20 | | 16 |
| Basketball | 6 (funded) | 12 | 14 |
| Total | 80 No subsidy due to grants and provider discounts | 44 £ 220 subsidy £5.00 per child | 85 £466 subsidy £5.48 per child |

The amount of sports clubs children were able to access has been varied. The cost of clubs is now more affordable for all and we are therefore able to provide more variety. Summer term attendance was poor due to other pupil commitments and other non-sport clubs.

Fencing and Quick sticks hockey were offered to children as a free club as a result of a successful grant application, the grant enabled school to be able to purchase resources to provide equipment for both Fencing and Quick Sticks Hockey.

Swimming

Swimming is a vital life skill that everyone should possess and Athelstan pupils have for many years now been able to access funded swimming lessons through the school's own budget. This year the school funded additional swimming through the PE grant. This enabled all children in Year 1, 2 and Year 4 to access free swimming lessons. This has been a very important development as we found that a number of our families do not take part in swimming outside of school, thus meaning we have a large number of non-swimmers in school. The children walk to the local high school and participate in swimming lessons with a qualified swimming instructor as part of the PE curriculum.

We believe that this has been a valuable experience for our children making them stronger more confident swimmers as they get older.

Swimming Impact 2015-2016

During the academic year 2015-16, a total of 81 pupils (46 Year 1, 2 Year 2 and 33 Year 4) each completed a block of ten swimming lessons.

Of these pupils, 49% (25 Year 1, 0 Year 2 and 15 Year 4) began the sessions as non-swimmers. Of this 49% of non-swimmers, 75% were able to swim a minimum of 5 metres at the end of their block with or without the use of a swimming aid. All children's confidence in the water had increased and those that had feared entering the water at the start of their block of sessions, were doing so confidently at the end and moving away from the side of the pool.

Of those swimmers in KS1 who could already swim 5 metres or more when the sessions began, 33% of the key stage, all of them made improvements in their stamina and technique, and 68% of this 33% achieved awards to demonstrate a further development in their skills.

In Year 4, 55% of the pupils could already swim 10 metres or more. 83% of these pupils were able to swim the same or further at the end of the block with increased stamina and improved technique

PE week 2016

All classes successfully completed their race days. Adam Palmer from Premier Sport led an Archery workshop for KS2 children and a dodgeball workshop for KS1 children. The feedback from Staff and children was very positive. All children from Year 1 to Year 6 took part in whole school potted sports. Blue team were the overall winning house meaning they took the house trophy for the second time this year. We had a visit from Byron Webster a Millwall Professional Football player. He took part in a question and answer session with Year 5 and 6 pupils and then went on to lead the children in a football workshop.

Rugby balls and rewards Boccia set

Future Planned Development

We will continue to build upon the success of the previous years work . In addition we aim to;

- Remain in the Tadcaster Schools Partnership this year who will provide the competition calendar and events.
- develop a more effective assessment system to track our pupils ensuring that they reach their maximum potential.
- to provide even more wow sporting experiences for our children across the year.
- continue to develop our staff CPD based on feedback at the end of this academic year.
- invest money in resources where required.
- Undertake whole staff CPD on inclusion in PE to ensure that all of our pupils access high quality PE sessions within school.
